National Curriculum Statutory Objectives covered (although our curriculum is guided by the PSHE Association Programme of Study which provides a comprehensive programme that integrates, but is not limited to, this statutory content):

- what a stereotype is, and how stereotypes can be unfair, negative or destructive
- the importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs
- that in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority
- how information and data is shared and used online
- the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them
