Shropshire Agreed Syllabus Programme of Study EYFS:

The Early Years Foundation Stage (EYFS) describes the phase of a child’s education from birth to the end of the Reception year at the age of 5. Religious education is statutory for all pupils registered on the school roll. The statutory requirement for religious education does not extend to nursery classes in maintained schools. RE forms a valuable part of the educational experience of children throughout the key stage. In the EYFS curriculum learning does not fit into boxes: play-based and child-centred approaches will encourage the learning to follow where the child’s interest and curiosity leads.
